

Syed Abdul Aman

■ amanbaba9404522@gmail.com | ■ 9494270320 | ■ Mahabubnagar District, Telangana

■ Education

Currently studying in **Class 10 (High School Student)**
Interested in **Cybersecurity & Programming**

■ Skills

- Programming: **Python** (beginner projects)
- Cybersecurity: Basic knowledge of **network security, password protection, ethical hacking concepts**
- Languages: **English, Hindi, Telugu**
- General: Problem-solving, Internet research, Teamwork

■ Projects

- **Python Mini Projects:**
 - Password generator
 - Basic calculator
 - Simple automation scripts (file handling, data entry)
- **Cybersecurity Learning:**
 - Practiced on platforms like TryHackMe and HackTheBox (beginner labs)
 - Learned about phishing awareness, brute force attacks, encryption basics

■ Extra Activities

- Exploring virtual internships (Forage, Internshala)
- Active on GitHub to share projects

■ Objective

To gain remote internship/work opportunities where I can improve my Python programming and cybersecurity skills, contribute to real projects, and grow my career in technology.
